## Historic Growth in 2025

2025 saw the highest ever participation in the Race to Raise. **42 Sublette County nonprofits** joined Foundation 23 to raise community awareness and garner support for essential services to benefit everyone who calls Sublette County home. Thanks to the generosity of the Match Pool Donors, **the highest ever match pool was raised with \$104,201**. The kindness of these donors allowed Foundation 23 to match 95% of donations made to each participating nonprofit on the first \$5,000 they raised.

**\$170,294.11 + \$104,201 = \$274,495.11**
