

HOW IT WORKS

1. Foundation 23 solicits matching fund contributions that incentivize donors for Sublette County nonprofits and enhance the impact of every individual donation.
2. Nonprofits complete the application to be included in the match giving. Applications and final reports must be submitted by the deadlines.
3. Qualified, participating nonprofits solicit donations from their donors during the campaign dates.
4. Donors make contributions directly to Foundation 23, designating funds to the nonprofit(s) of their choice.
5. Together, Foundation 23, the Race to Raise, and participating nonprofits promote the community fundraising efforts.
6. Following the culminating event during the Race to Raise and at the end of the giving season, fundraised dollars and matching funds are awarded to the nonprofits.
7. Participating organizations use the dollars raised to provide programming and support to Sublette County residents. A final report describing use of matching funds is required to be eligible to participate in the next year's event.

ELIGIBILITY

To be eligible to participate in the Community Fundraiser, organizations must provide programs or services to Sublette County area residents. Organizations may include the following:

MATCHING GRANT STRUCTURE

An annual matching dollar cap will be set based on money raised by Foundation 23 and matching donors. The first donations received by nonprofits up to this amount will be matched at a percentage. Donations raised over this amount are passed directly back to the designated nonprofit without any match portion.

ABOUT FOUNDATION 23 & RACE TO RAISE

The Pinedale Half Marathon and 10K began in 2004 as a way to unite our community by building camaraderie and promoting fitness. The annual event takes place every September and includes choices for a half marathon, 10K, 5K or a 1 mile fun run for both runners and walkers.

In 2022, the focus of the event was shifted from a one-day race into a fundraising campaign for the nonprofits in Sublette County, Wyoming. A portion of each race entry was designated to the participants' nonprofit of choice and additional donations were solicited by nonprofits. With this change arose the need for a broader scope of fundraising, community awareness and organization, therefore Foundation 23 was born. We are a community foundation here to strengthen and build the Sublette County community through fundraising and advocacy for our local nonprofits.

In 2024, the Pinedale Half Marathon and 10K event was renamed the **Race to Raise** to more deeply connect the running event and community nonprofit fundraiser. We invite you to join us during our 9-week community-wide fundraiser. The campaign will peak on September 20th during the Race to Raise when over 500 people come together in a celebration of community spirit and nonprofit support. The power of this community-wide fundraiser comes through the participating nonprofits, and the matching fund incentive,

The Race to Raise will be our culminating event for our annual giving campaign. Don't miss this opportunity to educate our community about your unique work and raise funds for your nonprofit!
